

CPYSL News:

Congratulations

CPYSL Board would like to recognize Christina Loss (Eagle FC) as the newest District Commissioner to represent us on the EPYSA Board. We look forward to working with Christina in this role.

Fall Update

CPYSL Board has voted to allow Premier level teams to have more latitude in game scheduling, moving players, and secondary opportunities.

CQL

CPYSL has decided to discontinue the offering of the Cup Qualifying League due to fewer teams wishing to take part in the service and because many of the teams that sign up end up dropping out to participate in HS playoffs that occur during the time frame.

Fall Indoor

CPYSL will be offering an indoor soccer platform for our member teams' startup in November thru March with two 8-game seasons to be played.

More information and discussion on the above items at future meetings.

CPYSL next meeting is March 18th 2026 @ Lower Allen Twp Bldg
